

CLASS SETTLEMENT AGREEMENT

This class settlement agreement (“Agreement”) is made and entered into as of the date the last party signs the Agreement. This Agreement is between plaintiffs Briana Rivera and Rosalio Trujillo Rivera (“Plaintiffs”), on their own behalf and on behalf of a class (as defined below) (“Class”); and (b) defendants Coco Properties JL, LLC, and Jeffery Lee (“Defendants”). Each Plaintiff and Defendant is referred to individually as a “Party,” and collectively Plaintiffs and Defendants are referred to as the “Parties” to this Agreement.

RECITALS

- A. On May 9, 2019, Plaintiffs filed a class action in the California Superior Court for the County of Alameda, captioned as *Briana Rivera, et al., v. Coco Properties, JL, LLC, et al.*, No. RG19018580 (“Litigation”).
- B. Plaintiffs allege that Defendants raised and collected rents in violation of the City of Fremont’s Residential Rent Increase Dispute Resolution Ordinance and its successor ordinance the Rent Review Ordinance. Defendants answered the complaint in the Litigation denying all allegations. Plaintiffs propounded extensive document and written discovery to Defendants. Plaintiffs’ counsel was scheduled to take a person most qualified deposition of defendant Coco Properties, JL, LLC, however, counsel for the parties agreed to stay said deposition until after mediation.
- C. Plaintiffs and Defendants have conducted an extensive investigation into the facts and law underlying Plaintiffs claims in the Litigation.
- D. On February 4, 2021, the Parties successfully completed mediation of the Litigation with Mediator Vivien Williamson resulting in a written settlement understanding which contemplated that the Parties would enter into a formal settlement agreement stating all the Parties’ rights and obligations.
- E. Plaintiffs, individually and on behalf of the Class, desire to settle the Litigation and all matters within the scope of the Release set forth herein, having taken into account the risks, delay, and difficulties involved in obtaining class certification, establishing liability, the likelihood of recovery in excess of that offered by this Settlement Agreement, the prospect of appeal, the desirability of payment sooner rather than later, and the likelihood that the Litigation could be protracted and expensive.
- F. Based upon their investigation and consideration of the risks of continuing to prosecute the Litigation, the facts and law advocated by Defendants, Plaintiffs and Class Counsel believe that it is desirable and in the best interests of the Class to enter into this Agreement.
- G. Although Defendants deny any wrongdoing and any liability to Plaintiffs and the Class whatsoever, Defendants believe that it is desirable and in their best interests to settle the Litigation and all matters within the scope of the Release in the manner and upon the terms and conditions provided for in this Agreement, in order to avoid the further expense, inconvenience, and distraction of the Litigation, the prospect of appeal, and in

order to put to rest the claims that have been asserted in the Litigation or are within the scope of the Release.

NOW THEREFORE, in consideration of the foregoing and the covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged herein, Plaintiffs, individually and as representatives of the Class, and Defendants, subject to approval by the Court, agree as follows.

II. SETTLEMENT PROCEDURES

A. Preliminary Approval

2.01 The Parties stipulate and agree to the certification of the Class solely for purposes of this Settlement. Should the Settlement not become final or Final Approval not occur for any reason, the Settlement and any communications relevant to the Settlement will be treated as a settlement communication under Evid. Code §1152.

2.02 Class Counsel shall file a motion with the Court to enter an order for Preliminary Approval, which order shall (a) conditionally certify this case as a class action; (b) preliminarily approve the Settlement memorialized in this Settlement Agreement as fair, reasonable, and adequate, including the material terms of this Agreement; (c) set a date for a Final Court Approval Hearing; (d) approve a Class Notice and approve the manner of its publication to the Class; (e) set deadlines consistent with this Agreement for publication of the Class Notice, the filing of objections, the filing of motions, and the filing of papers in connection with the Final Court Approval Hearing; and (f) appoint and approve Class Counsel as the Settlement Administrator. Defendants agree not to oppose any motion seeking Preliminary Approval and entry of the Preliminary Approval Order.

2.03 If necessary, Class Counsel shall obtain updates, if any, to the current addresses of Class Members using (a) information reasonably available from the National Change of Address database maintained by the United States Postal Service (“Postal Service”), (b) information reasonably available from a Lexis-Nexis persons search performed as to each Class Member, and (c) such additional efforts as Class Counsel reasonably believes are appropriate to identify updated addresses, if any, for each Class Member and/or as the Court may direct. Class Counsel shall promptly respond to any communication from any Class Member inquiring regarding his or her address or email information.

2.04 Class Counsel shall mail and/or email a Class Notice to each Class Member. Class Counsel shall have discretion to format the Class Notice in a reasonable manner to minimize mailing or administrative costs.

2.05 If any Class Notice sent under paragraph 2.04 is returned as undeliverable, Class Counsel shall re-mail the Class Notice immediately to the forwarding address, if any, provided by the Postal Service on the face of the returned mail, or the return email message. If the returned mail does not reflect a forwarding address Class Counsel shall make reasonable efforts to obtain additional address information for such Class Member. Upon receipt of any such additional information, Class Counsel shall re-mail the Class Notice to the Class Member at the address provided.

B. Requests for Exclusion

2.06 The Class Notice shall inform each Class Member of his or her right to request exclusion from the Class and not to be bound by this Agreement, if, within such time as is ordered by the Court and contained in the Class Notice, the Class Member completes and submits a request for exclusion (“Opt-Out”) to Class Counsel at the address set forth in the Class Notice. For a Class Member's Opt-Out to be valid, it must be timely (in accord with the postmark deadline set forth in the Preliminary Approval Order) and substantially comply with the following requirements: The Opt-Out must (a) set forth the Class Member's full name, address, email address and telephone number; (b) contain the Class Member's personal signature or the signature of a person previously authorized by law, such as a trustee, guardian or person acting under a power of attorney, to act on behalf of the Class Member with respect to a claim or right such as those in the Action, in original or by email, fax or scan; and (d) clearly state the Class Member's intent to be excluded from the Class, not to participate in the Settlement, and to waive all rights to the benefits of the Settlement. In those instances where a Class Member includes persons who were co-tenants, the Class Member shall be deemed a Successful Opt-Out as to that tenancy only if all co-tenants as to that tenancy elect to opt-out in accordance with this Order and the terms of the Settlement Agreement. No person shall purport to exercise any Opt-Out rights of any other person, or purport to opt-out Class Members as a group, aggregate, or class involving more than one Class Member or opt-out more than one Class Member on a single paper, or as an agent or representative; any such purported Opt-Outs shall be of no effect. Opt-Outs for a Class Member may, however, be prepared and mailed by the attorney for that Class Member, subject to the other limitations of this paragraph.

2.07 In the event that the Court grants Class Members the opportunity to opt-out of the Settlement, no later than sixty (60) calendar days after the Class Notices are mailed to the Class Members, as set forth in Paragraph 2.05 above, Class Counsel shall file and serve a declaration identifying all individuals who qualify as an opt-out.

2.08 Any Class Member who is not a Successful Opt-Out, or who otherwise fails to comply with all requirements for opting-out as may be contained in this Agreement, in the Class Notice, or in any order of the Court, shall be bound by this Agreement, this Settlement and the Release. If a Class Member is a Successful Opt-Out, then that Class Member shall be excluded from the Settlement, and shall not receive any benefits of the Settlement, including any Settlement Share or Benefit Check, and will not be bound by the terms of this Settlement Agreement. Any Class Member who is a Successful Opt-Out shall have no standing to object to the Settlement.

C. Objections to Settlement

2.09 Any Class Member who is not a Successful Opt-Out and who wishes to object to the Settlement may file and serve a written objection with Class Counsel. The failure of any Class Member to file a written objection regarding any particular aspect of the Settlement will not waive a Class Member's right to orally object regarding the Settlement at the Final Court Approval Hearing scheduled for January 14, 2022.

2.10 Any Class Member who wishes to file a motion in the Litigation must file his or her motion with the Court, and contemporaneously serve it upon Class Counsel and Counsel for the Defendants within the time set by the Court. Unless the Court directs otherwise, the dates set forth in the Class Notice shall govern the rights of the Class Members.

D. Settlement Administration

2.11 As a savings control measure, settlement administration shall be conducted by Class Counsel.

2.12 Settlement Administration Costs shall be paid for out of the Settlement Amount.

E. Attorneys' Fees/Costs

2.13 At the Final Court Approval Hearing, Representative Plaintiffs and Class Counsel may make written application to the Court for an award of attorneys' fees incurred in the prosecution of the Litigation not to exceed, in the aggregate, thirty-three (33%) percent of the Settlement Amount and for costs. At the Final Court Approval Hearing, if the Court grants an award of attorneys' fees to Class Counsel, the Court will order that 10% of any attorneys' fee award shall be kept in Class Counsel's trust fund until the completion of the distribution process to Class Members and Court approval of a final accounting. Defendants agree not to oppose any such application. Any Class Member who does not Opt Out of the Settlement may object to the attorneys' fee and costs application, in whole or in part, personally or through counsel. The Parties agree that the Court shall determine the amount, if any, of the Attorney Fee and costs award.

(a) Class Counsel agree that any application made pursuant to this paragraph will not seek an amount, in the aggregate, in excess of thirty-three (33%) percent of the Settlement Amount for attorneys' fees in the prosecution of the Action.

F. Class Representative Awards

2.14 At the Final Court Approval Hearing, Representative Plaintiffs and Class Counsel may make written application to the Court for a total award not to exceed twenty thousand dollars (\$20,000.00), as follows: (a) Class Representative Awards in an aggregate amount not to exceed twenty thousand dollars (\$20,000.00) to be paid to each Representative Plaintiff for his or her service as a class representative in the Action, with the following proposed amounts: Briana Rivera ten thousand dollars (\$10,000.00) and Rosalio Trujillo Rivera ten thousand dollars (\$10,000.00). Defendants agree not to oppose any such application. Any Class Representative Awards shall be in addition to the Benefit Check to which the Representative Plaintiffs are entitled as a Class Member. Any Class Member who does not Opt Out of the Settlement may object to the Class Representative Awards application, in whole or in part, personally or through counsel. The Parties agree that the Court shall determine the amount, if any, of the Class Representative Awards.

2.15 Representative Plaintiffs agree that their agreement to this Settlement is not conditioned upon the possibility of receiving a Class Representative Award in any amount, and acknowledge that they are bound by this Agreement and that they support this Settlement even in

the absence of any Class Representative Award. Representative Plaintiffs and Class Counsel agree that the application for the Class Representative Awards will be based upon the work performed by, and risks undertaken by, the Representative Plaintiffs in the prosecution of this Litigation.

G. Final Court Approval Hearing

2.15 At the Final Court Approval Hearing, Representative Plaintiffs and Class Counsel shall move the Court to enter a Final Approval Order which order shall (a) finally approve the Settlement as fair, reasonable, and adequate; (b) give the terms of the Settlement final and complete effect; (c) find that all requirements of any statute, rule, and state and federal Constitutions necessary to effectuate this Settlement have been met and satisfied; (d) allow the Court to make a determination regarding Class Counsel attorneys' fees and costs and the Class Representative Awards, if any, if Class Counsel makes timely application regarding the same; and (e) otherwise enter final judgment in the Litigation. Defendants agree not to oppose any such application or entry of the Final Approval Order.

III. SETTLEMENT BENEFITS

3.01 Except as otherwise provided in this Agreement, each Class Member who does not become a Successful Opt-Out shall be sent a Benefit Check. The "Benefit Balance" shall be calculated as the Settlement Amount less any and all Settlement Administration Costs, Representative Plaintiff Awards and attorneys' fee award/costs. Class Counsel shall calculate the Settlement Share payable to each Class Member who does not become a Successful Opt-Out on a pro rata basis as the amount of unlawful rent increases paid by the Class Member during the Class Period. In the event the Settlement Amount is less than the rent overcharges for Class Members or the Settlement Amount is equal to the rent overcharges for Class Members, the Settlement Amount will be apportioned pro rata in equal share per Class Member. If the Settlement Amount exceeds the rent overcharges for Class Members, or Class Members do not negotiate their Benefit Check within ninety (90) days of their date of issue, then any remainder of the Settlement Amount including excess and/or unclaimed funds will be disbursed pursuant to Code of Civil Procedure section 384 and not revert to Defendants. The parties agree that the East Bay Community Law Center, the Eviction Defense Center, and El Centro de la Raza shall be the recipients of any *cy pres* distribution in this action pursuant to Code of Civil Procedure section 384. Each such entity shall receive 1/3 of any such distribution.

3.02 All eligible Class Members who do not become a Successful Opt-Out shall receive a Benefit Check in the amount calculated in Paragraph 3.01 subject to the other terms and conditions of this Agreement.

3.03 Notwithstanding paragraphs 3.01 through 3.02 above and any other provisions of this Settlement Agreement, no Benefit Check shall be provided to any Class Member (a) whose Class Notice is returned by the Postal Service as undeliverable without a forwarding address on the face of the returned mail; (b) as to whom Class Counsel does not identify, and (c) who does not otherwise make themselves known to Class Counsel prior to the Final Court Approval Hearing.

3.04 Due to the economic effects of COVID, Defendants shall make two payments of the Settlement Amount to Class Counsel. No later than fifteen (15) days after the Final Court Approval Hearing and only if the Court grants final approval of the Settlement, Defendants shall make a first payment of \$150,000.00 of the Settlement Amount to Class Counsel. Defendants shall make a second payment of \$100,000.00 of the Settlement Amount to Class Counsel by March 15, 2022. Class Counsel shall deposit the balance in its client trust account and shall use and disburse such funds for settlement purposes only in accordance with the terms of this Agreement. At the Final Court Approval Hearing, if the Court grants an award of attorneys' fees to Class Counsel, the Court will order that ten 10% percent of any attorneys' fee award be kept in Class Counsel's trust fund until the completion of the distribution process to Class Members and Court approval of a final accounting.

3.05 Subject to the terms and conditions of the Agreement and only after the Court grants final approval of the Settlement, Class Counsel shall mail or otherwise provide a Benefit Check in the amount calculated by Class Counsel pursuant to paragraph 3.01 to each eligible Class Member who is not a Successful Opt-Out. The Benefit Check shall be mailed to the address provided for the Class Member or, if applicable, to any updated address provided to and/or obtained by Class Counsel prior to the Final Court Approval Hearing. If a Class Member loses a Benefit Check, Class Counsel shall, upon presentation of appropriate proof, issue a replacement Benefit Check to the Class Member and may in its discretion, stop payment on the earlier Benefit Check. All Benefit Checks issued pursuant to this paragraph shall be void if not negotiated within ninety (90) calendar days of their date of issue, and shall contain a legend to that effect. Benefit Checks issued pursuant to this paragraph that are not negotiated within ninety (90) calendar days of their date of issue shall not be reissued. In entering into this Settlement Agreement, Representative Plaintiffs and Class Counsel agree, on behalf of all Class Members and the Class, that those Class Members who do not negotiate Benefit Checks within ninety (90) calendar days of their date of issue shall completely and irrevocably waive and release any rights or entitlement to receive the Settlement Share from the Settlement, to the maximum extent permitted by law and shall be bound by the Final Court Approval Hearing Order and Judgment. In the event that one or more Benefit Checks are not negotiated within ninety (90) calendar days, or any unclaimed funds remain for any other reason, the resulting unclaimed portion of the Benefit Balance shall be paid to a *cy pres* recipient approved by the Court.

3.06 If a Class Member is a Successful Opt-Out, then that Class Member shall be excluded from the Settlement, shall not receive any benefits of the Settlement (including a Benefit Check or Settlement Share), and shall not be bound by the terms of this Settlement Agreement.

3.07 Subject to the terms and conditions of this Agreement, within ten (10) days after the Final Court Approval Hearing, Class Counsel may transfer ninety (90) percent of the attorneys' fee award to be determined by the Court from Class Counsel's client trust account to its business checking account.

3.08 Subject to the terms and conditions of this Agreement, within fifteen (15) days after the Final Court Approval Hearing, Class Counsel shall pay the Class Representative Awards ordered by the Court, if any, by check made payable to Plaintiffs.

3.09 Class Counsel's obligations with respect to the distribution of Benefit Checks, the attorneys' fee award and costs, if any, and the Class Representative Awards, if any, shall be performed reasonably and in good faith.

IV. RELEASE

4.01 Upon final approval by the Court, and except as to such rights or claims as may be created by this Agreement, the Representative Plaintiffs and each Class Member who is not a Successful Opt-Out hereby irrevocably and unconditionally release and forever discharge Defendants, as well as their respective agents, attorneys, insurers, representatives, heirs, family members, tenants, devisees, assigns, receivers, executors, trustees, settlors, transferees, predecessors, successors and any and all persons and entities who may claim through or on behalf of the Parties, from any and all claims that were or could have been asserted in this Action based upon the facts alleged in the complaint.

4.02 Upon Final Approval by the Court, Representative Plaintiffs and every Class Member who is not a Successful Opt-Out shall be deemed to have acknowledged and agreed that their claims for damages in this Action are disputed, and that the Representative Plaintiffs and every Class Member's individual settlement constitutes payment of all sums allegedly due him or her from Defendants related to or arising from the complaint.

V. REPRESENTATIONS AND WARRANTIES

5.01 Until and unless this Agreement is terminated or otherwise ordered by the Court, or if Final Approval is not achieved, Representative Plaintiffs and Class Counsel represent and warrant to Defendants that Representative Plaintiffs and Class Counsel shall use their best efforts to cause the Court to grant Preliminary and Final Approval of this Agreement and take or join in such other steps as may be necessary to implement this Agreement and to effectuate the Settlement.

5.02 Until and unless this Agreement is terminated or otherwise ordered by the Court, or if Final Approval is not achieved, Defendants represent and warrant to Representative Plaintiffs and Class Counsel that Defendants shall cooperate with Class Counsel such as providing a class list to Class Counsel, providing the last known address of former tenant class members, etc.

VI. TERMINATION

6.01 This Agreement shall be terminable in the event that (1) the Court fails to enter either of the approval orders contemplated in this Agreement, or if the Court fails to approve the Settlement substantially as written and agreed to by the Parties, including but not limited to a failure to approve the Preliminary Approval Order or the Final Approval Order. The Agreement also shall be terminable upon the mutual agreement of Representative Plaintiffs and all Defendants.

VII. MISCELLANEOUS PROVISIONS

7.01 This Agreement reflects, among other things, the compromise and settlement of disputed claims and defenses among the Parties hereto, and nothing in this Agreement or any action taken to effectuate this Agreement is intended to be, or may be used as, an admission or concession of liability of any Party or third party, of the validity of any claim.
